"It feels complete and it gives the listener a full picture of Fainman's aesthetic: full of jazz, soul, and blues, yet upbeat. Contemplative and introspective, yet optimistic."

- Martin Castro, The Cascade
("Late Nights" EP Review)

"One of the EP's songs, entitled "OZ," starts off how one would expect a partnership between jazz and rap to sound. As the song builds, we are presented with a more interesting and experimental take on the formula."

- Ian T.D Thomson, The Manitoban
(EP Release Show)
